

# DON'T MISS OUT ON THE DEADLINE LEGISLATION UPDATE

Did you know that all properties that are leased or sold in Queensland **must contain smoke alarms** that meet new guidelines **by 1 January 2022?**

Owners must ensure that smoke alarms are:

- Photoelectric,
- Hard-wired or have a non-removable 10-year lithium battery,
- Interconnected via a wire or radio frequency, and
- Installed in every bedroom, hallway and on every level
